9.00AM - MIDDAY  
FITZROY TOWN HALL  
201 NAPIER STREET, FITZROY

Like to help clean up your local area

**THE ROTARY CLUB OF RICHMOND MEMBERS & FRIENDS ARE ONCE AGAIN VOLUNTEERING TO HELP CLEAN UP THE CITY OF YARRA. THIS TIME AT A NEW SITE AROUND THE FITZROY TOWN HALL ON CLEAN UP AUSTRALIA DAY 2014.**

By joining in, you and your friends and family could have a lovely morning by the Atherton Gardens, with a bunch of likeminded people and get to demonstrate your support for our Yarra River, capturing people's rubbish before it ends up in our storm water drains!

This Clean Up Australia Day site is run by the Yarra City Council so is a great opportunity to demonstrate some of the positive impact the Rotary Club of Richmond continues to make to the local community and possibly brainstorm some new fundraising opportunities in the wake of the Abbotsford Convent Carpark automation.

**Feel free to bring your family & friends. Launch time is 9.00am.**

**Please BYO gardening-style gloves to use.**

- Bags for the rubbish are supplied, as is drinking water
- BYO water, hat and sunscreen - and wear sturdy shoes please

After a morning spent cleaning up and doing your thing for our local environment, we plan to head to the rooftop tapas bar "Naked in the Sky" on Brunswick Street to enjoy a delicious beverage or two overlooking the beautiful city of Melbourne that you have helped keep clean.
