

Hello Members of the Richmond Rotary Club,

I just thought I'd give you all a quick update on how I'm doing and show you all a bit of my life in Austria/ Germany, Hope you enjoy!

My First Week:

This is a photo of me on a walk with my host mum in the snow during my first week.

And the view from my bedroom window!!!

Language Camp:

In the third week of my exchange 30 other exchange students and I went to a language camp in Altmünster for 2 weeks. Over the 2 weeks I not only learnt the basics of German I also made some really amazing friends and learnt all about their cultures. During the camp we got to go to Salzburg and to visit a castle on a lake in the next town Gmunden.

Ski Camp:

During my 8th week of exchange I went to a ski camp very generously funded by my host club the Rotary Club of Kufstein in Shladming Austria. Throughout the course of the week that I stayed there I learned to ski and sled and it was probably one of the best and most exhausting weeks of my life.

I would really like to thank all of you, Trevor Pang especially, for giving me the opportunity to do something that is really changing my life and that I will never forget.
