

## ROMAC - Current Happenings

In appreciation of the work of ROMAC assisting Vietnamese children with major health or disfigurement problems, the Melbourne Vietnamese community organised a fund-raising dinner and invited **Kim** a young person whose life had been transformed by a complex operation to return with her mother from Vietnam. Over \$23,000 was raised to assist ROMAC.

Nguyen Thi **Kim** Thoa before her operation

**Kim** presented Caroline Homes, wife of her surgeon Tony Holmes with the cheque from the Vietnamese Community towards the ongoing ROMAC program.
