**CELEBRATE RYAP - SnapHop and the Rotary Next Step Program**

Friday 8 November 2013

*Guest Speaker*

**CRAIG KENNY**

Craig Kenny has worked as a Director with the City of Yarra since May 2003 and oversees policy development and service delivery for Community & Corporate Planning; Family, Youth & Children's Services; Aged & Disability Services; Yarra Libraries; Arts, Culture & Venues; Leisure Services and Aged and Disability Services. Also included in his Divisional responsibilities are project sponsorship for major community infrastructure projects.

Craig has held senior management roles in local government for over twenty years including with Wyndham City Council, an interface growth Council on the western fringe of Melbourne where he managed corporate and community services, information technology and Council Planning. Craig holds a Masters of Business Administration.

The City of Yarra is a long term supporter of the RYAP and Craig Kenny has personally helped the Rotary Next Step Program from its inception. He is in the best place to describe the challenges young people face in the City of Yarra and the strategies that will help them succeed in life.
